

2011 WSSDA Resolution Proposal Form

Submission Deadline: August 19, 2011

Official WSSDA positions on issues affecting schools and the Association are determined by the Delegate Assembly held during the WSSDA Annual Conference. These positions are advisory to individual school boards as well as to other organizations and educational stakeholders.

This is your opportunity to submit a WSSDA position. A WSSDA Association position represents the Association's beliefs, positions and values as viewed by locally elected school board members.

Please note this **not** a legislative position. Proposals specifically asking for action by the state Legislature should be submitted to the WSSDA Legislative Committee for consideration at the WSSDA Legislative Assembly.

If you wish to propose an Association position:

- Submit your proposal on the back of this form.
- Please review WSSDA positions at **wssda.org** under WSSDA Information to see if your proposal is already covered.
- If you are recommending amendments to existing positions, please note the current position number and title.
