

# SEATTLE

**March 27, 2013 • KeyArena at Seattle Center**

We Day Seattle will bring together 15,000 young people to celebrate the power of youth to create positive change in their local and global communities. You can't buy a ticket to We Day – you earn it through service. We Act is a comprehensive service learning program that supports schools and youth groups in taking tangible action to make a difference in the world. Groups take on one local and one global action and report back to Free The Children to earn their way to We Day. In turn, schools and groups get tools and resources to make their We Act commitments come to life. More than an event, We Day celebrates a movement of young people leading change through We Act.
