Demonstrating Competency/Proficiency in The Arts

The district will manage the assessment process so that students seeking competency-based credit can demonstrate competency/proficiency in art skills.

A student may recover ____ [modify according to your district's determination, typical credit ranges from (.5) to (1) credit] art credit if the student meets standard on another approved state alternative that meets the graduation requirement.

Additionally, a student may obtain ____ [modify according to your district's determination, typical credit ranges from (.5) to (1) credit] art credit for passing a district created assessment that is aligned to state learning standards, such as a portfolio of student work. Students do not need to have attempted and failed a course before being eligible for this option.
